

## Supply List

Libby Williamson

### **"Paint - Stitch - Collage - Magic "**

Saturday, February 2, 2019

Use layers of hand painted and dyed fabrics, applique'd layers of free motion stitched components and embedded found objects to create colorful and playful designs.

Class supply Fee \$15.00 payable to Libby on the day of the class covering supplies that she will bring including hand painted papers and fabrics, the background canvas, matte medium and paints.

#### **Supplies:**

Students should bring with them:

Sewing machine in good working order capable of free motion stitching

Free motion stitching foot

Black thread for stitching

Your normal sewing supplies - scissors, pins, etc.

art apron

paintbrushes

a hairdryer and/or heat gun.

#### **Fabrics: None...**

Because the class is very involved with a lot of processes and a lot of things to get finished, it is easier for everyone if Libby brings pre-painted fabric and paper to avoid the long drying time. This way we can move directly into the collage portion of the class so that the matte medium has a chance to dry to get to the final stitching phase.
